Mysuru to host Yoga Day with PM Modi on June 21

AYUSH Ministry Secretary writes to State Chief Secretary to make preparations

Prime Minister Narendra Modi seen with Mysuru-Kodagu MP Pratap Simha, his wife Arpitha Simha, daughter Vipanchi Simha and Union Minister Pralhad Joshi when the PM was invited to Mysuru recently.

Mysuru, May 21 (SBD&BCT)- It is confirmed. Prime Minister Narendra Modi will lead the International Day of Yoga (IDY) celebrations in Mysuru on June 21 this year.

Mysuru-Kodagu MP Pratap Simha had urged PM Modi to attend the IDY-2022 main event in Mysuru. As it has been a practice, the PM attends the main IDY event (mass Yoga demonstration) from 7 am to 8 am. In his request letter, the MP had highlighted the importance of Mysuru in spreading yoga far and wide.

This year's IDY also coincides with the Azadi Ka Amrit Mahotsav and the Ministry of AYUSH, Government of India, has decided to celebrate the day in a special way across 75 locations in the country. There are plans to project this year's Yoga Day as Brand India. Since the venue is Mysuru where PM Modi is leading the Yoga performance, Brand Mysuru will also get recognition.

In a message to Karnataka Chief Secretary P. Ravikumar yesterday, Vaidya Rajesh Kotecha, Secretary, Ministry of AYUSH, has asked the former to make preparations for the PM's visit. As there will be thousands of Yoga enthusiasts participating, elaborate preparations have to be made, the letter stated.

It may be recalled here that on Apr. 29, Senior officers from the Ministry of AYUSH, Government of India, visited Mysuru and held a closed-door meeting with the top officers of the district at the DC's Office and discussed the possibility of holding the main IDY-2022 event in Mysuru.

They later visited Mysore Palace, Karnataka Exhibition Grounds and Mysore Race Course. Inspecting the entire venues and asking for site maps, the officials examined the area, extent, facilities, entrance and exits, security, parking, transportation, nearby accommodation and also the likely weather in June.

Boost to Brand Mysuru, Yoga culture of Mysuru

Narayanagowda

Sharath Jois

Srihari

Mysuru, May 21 (BCT)- The confirmation of Prime Minister Narendra Modi's visit to Mysuru to lead the International Day of Yoga (IDY) celebrations on June 21 has brought cheer to the stakeholders who said that the PM's visit will be a big boost to the Yoga sector, tourism and hospitality industries.

Speaking to *Star of Mys*ore this morning, Mysuru Hotel Owners' Association President C. Narayanagowda said that it will be a game-changer for Mysuru. "It is a matter of pride for Mysuru and the PM's visit will increase Mysuru's brand value where all allied sectors to Yoga will prosper. On behalf of Mysureans, I thank our MP Pratap Simha who has consistently tried for this for years," he said.

Sharath Jois, the world's foremost authority in Ashtanga Yoga, said that it is a big moment for Mysuru and it will add more value for Yoga, especially Mysuru Yoga. "Mysuru is a source for Ashtanga Yoga due to the efforts of Yoga Guru Krishna Pattabhi Jois. We are continuing their tradition and the Prime Minister's visit will bring the limelight on Mysuru and its Yoga culture," he said.

Sharath Jois is the grandson of legendary Yoga Guru K. Pattabhi Jois. He took on the mantle of running the world-renowned Ashtanga Yoga Institute — Krishna Pattabhi Jois Ashtanga Institute (KPJAYI) — upon his grandfather's passing in 2008. He has more than 30 years of teaching experience.

GSS Foundation Head and an avid Yoga practitioner D. Srihari said that the PM's visit to Mysuru is a result of constant and dedicated efforts for eight years.

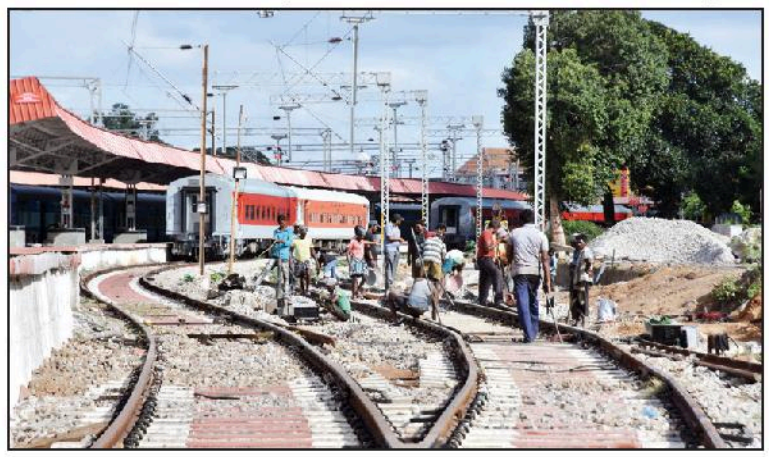
Mysuru-Chamarajanagar line electrification

Project awaits clearance from Airports Authority



Mysuru, May 21 (RK&BCT)- The ambitious and the much-awaited electrification of Mysuru-Chamarajanagar Railway line under South Western Railway (SWR) has hit a roadblock even as 97 percent of the works have been completed.

It is a Rs. 20 crore plus project and for its completion, a No Objection Certificate (NOC) from the Airports Authority of India (AAI) is mandatory as the railway line runs close to the Airport runway at Mandakalli that is being extended now to enable bigger planes to land. The train track runs close to the starting point of the runway.

S. Shilpa has been awarded Ph.D in Commerce by the UoM for her thesis 'Implementation of IND as in Commercial and Industrial Enterprises in Inida' submitted under the guidance of Dr. Rechanna.

EDITOR'S BOTTOMLINE

The three-day Nav Sankalp Chintan Shivir of the Congress in Udaipur has charted an action plan for its revival. The proof will be in its implementation, but at a minimum it acknowledges the party's shortcomings.

Amid demands by leaders of the G-23 — the ginger group purportedly pushing for internal reforms and collective leadership — to revive the Congress Parliamentary Board, party Chief Sonia Gandhi announced the setting up of an advisory group from among the senior Congress Working Committee members. Ms. Gandhi made it clear that there would not be collective decision-making and that her word was final. While such an assertion may convey the message of being in control, that is no solution to the sagging popularity of the party and the family. Former party Chief Rahul Gandhi admitted that the party had lost its connect with the people, but did not offer anything new. Udaipur was an assertion of his role at the helm, which will in all probability be formalised in the forthcoming organisational election. A Bharat Jodo (Unite India) yatra from Kanyakumari to Kashmir and Jan Jagran Abhiyan (public awareness campaign) as ideas sound good, but a lot will depend on his ability to reinvent himself in an era that rewards and punishes individual leaders disproportionate to their role. If the Udaipur meet is not to end up as a new bargain among power brokers and interest groups, the party will have to immediately begin a process of regeneration free of nepotism and avarice.

NEWS SPARKLERS

Riders in UK get stuck at 235-feet!

England: In a nightmarish incident, riders were left stranded at the top of the Big One ride in Blackpool Pleasure Beach, UK, after it seemingly malfunctioned on its climb up. Thrill seekers explained that the carriage of the rollercoaster came to stop towards the top of the 235-feet ride.

It is to mention that Big One was the tallest and the steepest roller coaster in the world when it opened in 1994. It can be seen from across the Fylde coast due to its height and prominence on Blackpool's skyline.

The apparent malfunction over the weekend left riders on the iconic rollercoaster stranded at the very top of its terrifying steep drop. Riders reportedly said that after the ride stopped mid-way, people started walking up the coaster using the stairs at the side to get access to the carriage. No one was injured during the incident.

Man rides length of Great Britain on a scooter in 11 days

Scotland: A Scottish man rode his scooter the entire length of the island of Great Britain in just 11 days, unofficially breaking a Guinness World Record.

Stuart Jamieson took on the ride from Land's End, England, to John O'Groats, Scotland, on his scooter to break a Guinness World Record and raise money for hospice charity Marie Curie in honour of his wife, Eva, who died in 2018. Jamieson, whose scooter was dubbed Big Blue Magoo by his daughter, Beth, 13, completed the more than 600-mile journey in 11 days, besting the current Guinness World Record of 21 days. Evidence from the record attempt is now being submitted to Guinness for official recognition.

HEALTH CAPSULE

How to know your body is dehydrated?

Excess sweating, thirst, and dark-colour urine during summer indicate dehydration. Excess fluid loss from your body leads to a concentrated form of minerals and salts in your urine that makes it look darker in colour. Lighter the urine, hydrated is your body.

Abhiyenthararu to stage play 'Chidambara Rahasya'

A scene from the play 'Chidambara Rahasya.'

Mysuru, May 21- Abhiyenthararu - A Theatre for Engineers, Mysuru, will be staging Poornachandra Tejaswi's play 'Chidambara Rahasya' at RamaGovida Rangamandira in Ramakrishnanagar tomorrow (May 22) at 7 pm.

For tickets, contact Mob: 99453-55777 or 99022-38443.

About the play: 'Chidambara Rahasya' deals with murder investigation, caste system, communal riots, blind beliefs, love story, friendship, youth rebels, land lords, untouchables, politics — all mixed together so harmoniously that it cannot be separated from one another.

This curious drama is laced with a lot of humour and the author has taken care to showcase various issues in a lighter vein so that people get the message but don't get offended.

Though the drama mainly deals about the problems leading to the decline of elaichi business and its relation to the death of a senior scientist, the drama unfolds a lot of turbulent truths that exist in our society.

REALLY...?

- *Tortoises have been around for over 200 million years — longer than lizards, birds, mammals, crocodiles and snakes.*
- *Some turtles and tortoises can live to over 100 years old — and beyond! One such tortoise was Harriet, who is said to have originally been found and looked after for by Charles Darwin from 1835 and later arrived at Australia Zoo. She died there in 2006 and was believed to have been 175 at the time.*
- *The scales on the outer shell of a tortoise are made of the same keratin as human fingernails. This protects against injury, damage and infection.*

VOICE OF THE READER

Provide one-minute stop at Jnanabharathi Halt Station

Sir,

With reference to a recent letter in this column, I would like to re-emphasise the need for a one-minute stoppage of all Bengaluru-bound trains from Mysuru, maybe except Shatabdi Express at the Jnanabharathi Halt Station.

Jnanabharathi Metro Station is the closest station to Jnanabharathi Halt Station. People can reach their destination fast, saving time and energy.

This facility will also reduce unnecessary vehicular movement leading to less pollution in the already polluted city of Bengaluru. Senior citizens, women and people with baggage can easily shift to Metro Station and reach closest possible point to their respective destination in the State capital. This is a long-term vision for Bengaluru city.

Kengeri and Nayandahalli Metro Stations are a little far from respective train stations. Hence, I urge the top authorities to consider this people-friendly measure as early as possible.

APOLLO DOC TALK
Apollo HOSPITALS
MOTHER'S HEALTH

Mothers shower their unconditional love and selfless service in lighting up the child's life, not just that they are the pillars of any family. Hence their good health is of utmost importance, which is often ignored. One common symptom ignored is white discharge per vagina (WDPV) and bleeding per vagina. If severe and neglected for quite some time, these can be symptoms of a painful disease like cancer. It's essential to differentiate the severity of the problem and meet the doctor on time. WDPV, when in small quantities, mucoid clear can be ignored, but if WDPV is associated with itching, foul smell, blood-stained, copious in amount, curdy white, frothy yellowish/greenish in colour calls for a visit to the doctor. Bleeding regularly for 3-5 days once in 21-35 days are average. But if heavy, needing more than three pads a day, with clots, lasting for more than 5-7 days with severe pain and giddiness could be a sign of a serious disease, and one must see a doctor. Self-breast examination every month, Gynaecologist consultation once in 6 months. Annual total body check with investigations and pap smear, USG is essential to maintain good health.

Applications can be obtained from the Anathalaya Office and the same must be submitted before May 30. For details, call Warden Shanta Mallesh on Mob: 97426-36465.

Traffic Cops fill potholes at Agrahara, earn public appreciation

Recent rains have exposed shoddy road works in city as asphalt on major roads have been washed away creating crater-like potholes on many roads, including the road leading from Agrahara Circle towards Mysuru City Corporation (MCC) Office. Traffic Constables Madhu and Shivakumar, attached to K.r. Traffic Police Station, who saw motorists struggling to pass on the road near Agrahara Circle due to a large pothole have filled the pothole with mud and brick pieces and the photos and videos of the Cops filling the pothole has gone viral on social media with the public appreciating their concern towards motorists.

MUDA takes possession of 4 CA sites, 2 parks in Sathagalli

Mysuru, May 21 (RK&KS)- The officials of Mysuru Urban Development Authority (MUDA) yesterday took possession of four Civic Amenities (CA) sites and two parks at Sathagalli Layout in city and have installed a board claiming that the above properties belong to MUDA.

Vidyashankar House Building Co-operative Society after taking approval from MUDA has formed a residential layout in 52.37 acre land coming under survey numbers 72/1, 72/2, 73/1 and 73/2 in Sathagalli village.

After forming the layout, the Society handed over six CA sites and four parks to MUDA on Mar. 20, 2003. As a few land owners had approached the Court, two CA sites and two parks had not been distributed and developed.

As there was no stay order from the Court for the remaining CA sites and parks, the MUDA took possession of four CA sites and two parks in a total area of six acre, according to MUDA Commissioner G.T. Dinesh Kumar in a press release.

Food delivery boy killed in Madikeri accident

A resident of Mysuru, he was working in Madikeri

Thimmaiah Tejas

Madikeri, May 21 (KS)- A food delivery boy was killed, when an unidentified vehicle hit him near Chain Gate in the town yesterday.

The deceased is A.C. Thimmaiah Tejas, a resident of Vijayanagar 2nd Stage in Mysuru, who was staying in Kushalnagar and working as a food delivery boy in Madikeri.

Yesterday at about 3.30 pm, Tejas was on his way to deliver food to a customer at Chetalli, when an unidentified vehicle hit the bike Tejas was riding and sped away.

Tejas, who had sustained serious injuries, was lying on the roadside with severe bleeding, which was noticed by Social Worker Minhaj Pravin, who rushed to the aid of Tejas and shifted him to Madikeri General Hospital, where he succumbed to injuries.

Madikeri Town Traffic Police, who have registered a case, are collecting CCTV footages from the cameras installed on the roads leading to the accident spot to establish the identity of the killer unidentified vehicle.

Protests in district demanding increase in reservations for SC, ST communities

The members of Karnataka Rajya Nayakara Hitarakshana Vedike staging a protest in front of the Taluk Office in city yesterday. Picture right shows protestors submitting a memorandum to the Tahsildar at Nanjangud.

Mysuru, May 21- The activists of Karnataka Rajya Nayakara Hitarakshana Vedike yesteday staged a protest in front of the Taluk Office in city, demanding increase in reservations of 17% to Scheduled Castes and 7.5% to Scheduled Tribes as per the recommendations of Justice Nagamohandas Report.

Pointing out that the Dalits and Pro-Dalit organisations are holding protests continuously for the last 100 days under the leadership of Sri Prasaannanda Swamiji and other Seers of the Dalit Community at Freedom Park in Bengaluru, the protestors alleged that the Government has not done anything in this regard though an assurance was given by representatives of the Government on the 60th day that the demands will be favourably considered.

Accusing the Government of depriving them of their rights, they protestors said they are not begging for reservations but demanding it as it their right. "The Government is neglecting our communities and we will continue to fight till we get justice. At present we are protesting in urban areas and if the Government fail to meet our demands, we will stage protest in every village," they warned. Vedike State President Dyavappa Nayaka, ex-mayor B.Puroshottam and others participated in the protest.

Similar protests were also held at Nanjangud, Yelandur and Gundlupet.

Cauvery Basin Dams getting filled up before monsoon

Harangi Dam in Kodagu district.

KRS Dam in Srirangapatna taluk.

Kabini Dam in H.D. Kote taluk.

Kushalnagar, May 21 (Akshay & BCT)- Above normal rainfall in April and May has resulted in increased inflows to the Harangi Dam, Krishna Raja Sagar (KRS) Dam and the Kabini Dam along the Cauvery Basin, a phenomenon that is normally observed in August-September every year.

Looking at the inflows, engineers are expecting the reservoirs to be filled to the brim in a few days after the monsoon fully sets in. The India Meteorological Department (IMD) and the Karnataka State Natural Disaster Monitoring Centre have said it will rain for another two to three days and this rainy season will lead to the arrival of the South-West Monsoon.

After an early arrival over Andaman & Nicobar islands, the South-West Monsoon will hit Kerala by the middle of next week. The IMD said that if the onset of the South-West Monsoon over Kerala happens this weekend, it will be the earliest onset in recent years. In 2009, the monsoon reached Kerala on May 23.

Water level at the KRS Dam in Srirangapatna taluk in Mandya district today stands at 103.80 ft as against the maximum level of 124.80 ft. An inflow of 12,488 cusecs has been recorded and there is a total outflow of 2417 cusecs.

The inflow to the KRS Dam was 4,396 cusecs till May 18. After the catchment areas received heavy rainfall, the inflow rose up to 16,814 cusecs on Friday and today it stands at 12,488 cusecs.

The water level at Kabini Dam in H.D. Kote taluk stands at 2262.04 ft today as against the maximum level of 2284 ft. There is an inflow of 2947 cusecs and an outflow of 1,000 cusecs.

Today's level at Harangi Dam in Kodagu district is 2,850.51 ft as against a maximum level of 2,859 ft. There is an inflow of 653 cusecs and an outflow of 300 cusecs to the river and 20 cusecs to canals.

Speaking to *Star of Mysore*, Harangi Assistant Engineer Siddaraju said that the Harangi Dam is receiving a healthy inflow from both rivers Cauvery and Harangi.

"We have to maintain a good space in the Dam before it gets full and we will keep the 0.8 tmcft (thousand million cubic feet) gap and release excess water. We will maintain a level of 2854 ft or 2855 ft," he said.

The Dam level is maintained based on the inflow and information about rains. "Usually when it rains heavily in Madikeri taluk, it takes about two hours for the water to reach Harangi Dam. We will always keep space for fresh rainwater to enter the Dam and release water downstream for it to reach KRS Dam," he said.

NDRF team to arrive in Kodagu next week: DC

Kushalnagar, May 21 (Akshay & BCT)- Amidst heavy rains and as there are signs of rains to continue, a team of National Disaster Relief Force (NDRF) will arrive in Kodagu by next week.

Kodagu Deputy Commissioner Dr. B.C. Satish told *Star of Mysore* that they had requested the NDRF to send a battalion for relief and rescue operations. "The NDRF team has been arriving in Kodagu during monsoon for many years and this year too, we had requested their presence. They are likely to arrive next week," the DC said.

Usually, the Kodagu District Administration requests the NDRF team to camp for at least three months as a precautionary measure. Their stay is extended depending on the scale of the damage.

Dr. B.C. Satish, DC, Kodagu

It may be recalled here that last year, a 25-member NDRF team from Vijayawada in Andhra Pradesh had camped at Jawahar Navodaya Vidyalaya at Galibeedu in Madikeri. Along with NDRF, teams from State Disaster Response Force (SDRF), Army's Dogra Regiment and Civil Defence too had come to Kodagu.

Dismissed contract workers stage protest near Divisional Railway Manager Office

Karnataka State Safai Karmachari Commission Chairman M. Shivanna speaking to protesters this morning.

Mysuru, May 21 (PM&TRR) Outsourced cleaning staff who were working in the Divisional Railway Office, staged a protest in front the Divisional Railway Manager's (DRM) Office this morning alleging that they have been abruptly dismissed from their service by their Contractor.

The protestors accused Contractor M.C. Shwetha of denying facilities like minimum wages, ESI and PF. "She has forced the employees to open Bank Accounts in Mandya, took their ATM cards and has withdrawn money from their accounts," they alleged.

As per rules, the minimum wages for the workers is Rs.12,826 per month and the Contractor is accused of paying them only Rs.6,000 to 8,000.In addition, the Contractor has not maintained a register as required.

These workers had approached the Karnataka State Railway Contract Mazdoor Association and as per their advice filed a complaint in the Labour Department Mysuru. Though aware of all the developments, the Railway authorities have not taken any action against the Contractor, the protestors alleged.

Karnataka State Safai Karmachari Commission Chairman M. Shivanna, who visited the spot, listened to their problems and assured that he will register a suo motto case against the Contractor as per the provisions of the Act, conduct an enquiry and ensure that they get justice.

District INTUC President Anil Kumar, General Secretary Nanjappa Basavanagudi and others took part in the protest.

Category 2A Reservation

Panchamasali Lingayats warn of re-launching agitation

Mysuru, May 21 (SBD&DM)- Accusing the State Government of failing to keep its promise on the announcement of Category-2A reservation for Panchamasali Lingayat Sub-sect, Koodalasangama Lingayat, Panchamasali Mutt Seer Sri Basavajaya Mrutyunjaya Swamiji has warned of re-launching the agitation, which went on for over a year in 2020-21, in Bengaluru and other parts of the State.

Addressing a press meet at Hosamutt premises in Agrahara here yesterday, he said that it was earlier planned to hold a Statewide hunger stir in front of the Office of the Deputy Commissioner in all districts and in front of the residence of Chief Minister Basavaraj Bommai at Shiggavi in Haveri district on May 23. But the incessant rains has forced them to postpone the agitation, he said adding that the indefinite agitation to press for reservation would be re-launched soon, with the holding of a hunger stir in front of the CM's residence at Bengaluru.

Expressing disappointment that the Government had repeatedly failed in keeping its promise on reservation, Basavajaya Mrutyunjaya Swamiji targeted the CM for showing utter disregard for the Government's promise.

Community leaders H.S. Nanjappa, A. Mallesh, Cable Mahesh, Deepak, Kumar, Srishaila Gouda, Manjunath and others were present at the press meet.

CM's 5-day trip to Davos doubtful

Chief Minister Basavaraj Bommai speaking to reporters in New Delhi this morning.

Bengaluru, May 21 (KMS &BCT)- Looks like Chief Minister Basavaraj Bommai's trip to Davos in Switzerland to attend the World Economic Forum (WEF) Summit will be cancelled. Though official sources did not confirm it, people close to the CM told *Star of Mysore* that the CM will return to Bengaluru tonight and the Davos trip was doubtful.

Bommai was scheduled to visit Europe for the WEF Summit and was slated to fly on May 22 and return only on May 26. He was one among the two Chief Ministers to be chosen by the BJP to attend the mega world event along with the CM of a non-BJP ruled State.

Sources said today that the Davos trip was doubtful and even Industries Minister Murugesh Nirani, who was supposed to accompany the CM to showcase Karnataka's investment climate will not attend the Summit. This time, only officers will attend the conference minus Ministers and CMs.

Bommai was summoned to New Delhi yesterday and he left Bengaluru in a hurry in the afternoon after visiting certain rain-affected areas. He abruptly ended the rain visit and headed to Delhi where he met BJP Karnataka In-Charge Arun Singh late in the night. His sudden visit to Delhi had set off speculations that he would tender his resignation.

Though Bommai's itinerary said that he will meet Union Ministers, the meeting with Union Home Minister Amit Shah did not happen despite the CM waiting till late in the night. Speaking to reporters this morning, Bommai said that the meeting with Amit Shah did not happen as the latter was busy in pre-engaged meetings. "I spoke to him at length about Cabinet expansion and the elections to Rajya Sabha and Legislative Council," he said.

Basavaraj Bommai was visibly stoic when speaking to reporters and he was not in his usual self. Replying in a measured tone, he replied to a question that whether he would go to Davos when Karnataka, especially Bengaluru was reeling under floods and related miseries. "We will have to see various factors before deciding to go to Davos and a decision will be taken," he said.

Though it is not yet known what transpired in the telephonic conversation between Amit Shah and Bommai and also the outcome of the meeting with Arun Singh, the CM's facial expressions were a clear give away and it has once again given rise to speculations on his resignation.

Last date extended

Mysuru, May 21 (SSM)- The last date of registration for 'ITECHNARY,' a national-level competition organised by MMK&SDM Mahila Vidyalaya, Mysuru, as part of National Technology Day celebration has been extended till May 24.

The valedictory function will be held on May 31 at 10.30 am which will be held in hybrid mode.

For details, visit College website *www.sdmmmkmysore.in*. Interested may join the valedictory event by logging on to *https://youtu.be/kROWxuCgM8w*

PM's visit to Mysuru: MLC wants CM to hold high-level meeting

Mysuru, May 21 (MTY&DM)- With Prime Minister Narendra Modi scheduled to visit city for taking part in the International Yoga Day event at Mysuru to be held on June 21, BJP MLC A.H. Vishwanath has urged Chief Minister Basavaraj Bommai to hold a meeting in Mysuru to draw plans for Mysuru's development, to be presented to the Prime Minister for his consideration.

Speaking to presspersons in Jaladarshini Guest House premises on Hunsur Road here this morning, Vishwanath said that Mysuru has a long and rich history, heritage and tradition, which should be appropriately apprised to Modi during his visit. Maintaining that the CM and authorities must make best use of the PM's visit to Mysuru, by submitting plans on the State's requirements and what needs to be done in this regard, with special focus on Mysuru, Vishwanath said that the CM along with his Cabinet colleagues and the Chief Secretary should hold a full-fledged preparatory meeting in Mysuru ahead of Modi's visit for charting out a list of the State's demands.

Expressing disappointment over the city's waste disposal management, the MLC said that the authorities should ensure that the city remains clean during the PM's visit in keeping with 'Cleanest City' tag, which Mysuru had earned twice in the past nationally.

A.H.Vishwanath

Referring to change of school curriculum, Vishwanath asserted that he was strongly opposed to any 'saffronisation' plans of the Government. Noting that a country would become culturally bankrupt if the education and cultural system of that country is destroyed, Vishwanath cautioned the Government against giving scope to such things which harm the educational and cultural fabric of the country.

Observing that the content of school text books should be within the framework of national curriculum, Vishwanath maintained that the DSERT and the NERT should be consulted while making any changes in academic text books. Questioning the credentials of Text book Revision Committee President Rohit Chakrateertha, Vishwanath wanted to know his background and his contributions to academics. Strongly condemning the moves to delete chapters on Narayana Guru, Bhagat Singh and such other great personalities, the MLC alleged that Rohit is an RSS activist, who is working towards taking forward the Organisation's propaganda.

Referring to incessant rainfall in places such as Mysuru, Bengaluru and several other districts of the State which has caused havoc, the MLC observed that all these are happening due to climate change, triggered by human destruction of environment, ecology and nature. Wanting the Government to take genuine environmentalists and nature activists into confidence before drawing any action plans, he expressed concerns that while drought prone areas are receiving heavy rainfall over the past few days, there is a growing threat that Malnad regions may receive a shortfall of rains during Monsoon.

Speaking on Greater Mysuru concept, Vishwanath said that encroachment of all Rajakaluves and water bodies such as lakes and ponds, must be first cleared. Advocating the need for developing Mysuru city as per the vision of the erstwhile Mysuru Maharajas, he attributed the inundation of residential areas, to encroachment of water bodies and lands for formation of illegal layouts. He wanted the Government to ensure that all Rajakaluves, canals and other linkages that facilitate water flow during heavy rains are well conserved and maintained.

Leaders Revanna and Beerendra were present.

Boost to Yoga culture

(Continued from page 1)

"It is a fantastic thing to happen for Mysuru and Karnataka and MP Pratap Simha has to be thanked for taking personal interest in this. Mysuru has been consistently gathering crowds for Yoga every year and thanks to all the Yoga Schools, academic institutions, officers, political leaders and media, we have reached this stage where the PM will come calling. It shows that unitedly we can achieve our goals," Srihari said.

"Except for the two years of COVID, Mysuru has been consistently pulling crowds. From the first year crowd of 10,000, we have reached the 55,000 mark and crossed the 1 lakh mark too. Last year, we had more than one lakh participants online due to COVID," he added.

Regarding the PM's visit per se, Srihari said that they had suggested three venues — Mysore Race Course that can accommodate 1.50 lakh Yoga performers, Mysore Palace where 10,000 people can perform and the Chamundi Vihar Stadium that can accommodate 3,000 people in case it rains.

"We are not sure of the venue as it will be decided by the AYUSH Ministry, the Prime Minister's Office and the Special Protection Group (SPG) and they will take into account several issues like entry, exits, security and also weather," he added.

AFFIDAVIT

I, METHOK W/o. KELSANG SHERAB Major, Residing at House No. 28, 'T' Village, TRS camp, Dhondenling, Tibetan Settlement, Odeyarapaly Kollegal taluk. Chamarajanagar Dist., Karnataka State. Project awaits clearance

(Continued from page 1)

The project entails a 71-km overhead wiring and 97 percent of the works have been completed except for the 750-metre stretch near the runway. The works are yet to be taken up as the AAI has not given the NOC.

The electrification work was scheduled to be completed by March 2022 and the tenders were awarded to Powerguru Infratech Private Limited, Gurgaon, in February 2021 with a 12-month deadline.

The Mysuru-Chamarajanagar route is quite popular one with thousands of employees, students and daily wage workers taking the trains between the two destinations. The route also connects Nanjangud, regarded as Dakshina Kashi.

The railway line connects industrial areas of Kadakola, Sujathapuram and Badanaguppe. The electrification is crucial for industrial growth of Mysuru as it will complement the Inland Container Yard by Container Corporation of India (CONCOR) that is coming up at Kadakola.

The NOC issue came up when the dates were proposed for the inspection of new railway lines, gauge conversion completion, track doubling and railway electrification works.

On their part, the SWR authorities have written to the AAI headquarters in New Delhi and are awaiting a response. Sources at the Mysore Airport said that they have no role in the decision making and it will be decided at AAI headquarters. While giving the NOC, the AAI will consider many aspects including safety as the runway is close to the railway track.

The decision has to be taken at the highest level as it is the question of passenger safety. There are apprehensions that the electromagnetic waves of electric locomotives could interfere with the navigation system on the aircraft, leading to safety issues.

The electrification will benefit movement of cargo with better energy efficiency, zero emissions and lower operating costs. This apart, the electric train is more powerful than its diesel counterpart for cargo movements. But till the NOC comes from the AAI, the SWR will have to run diesel locomotives on this stretch.

Know more about endangered Mahseer at RMNH

Mysuru Division CF Dr. Malathi Priya and Bandipur Tiger Reserve Director Dr. Ramesh Kumar, along with the students inaugurating the exhibition at RMNH premises in city yesterday as Director of Delhi RMNH Naaz Rizwi and others look on.

Mahseer fish (for representation).

The skull of a large Mahseer fish displayed at RMNH.

Mysuru, May 21 (PM&TRR)- As part of International Museum Day — 2022, 27th Foundation Day of Regional Museum of Natural History (RMNH), Mysuru and International Day for Biological Diversity — 2022, a 'Nature's Gallery' and an expo titled 'On Mahseer Trail' were inaugurated at RMNH auditorium in Siddarthanagar here yesterday.

Mysuru Division Conservator of Forests (CF) Dr. Malathi Priya and Bandipur Tiger Reserve Director and CF Dr. Ramesh Kumar, along with the students inaugurated the expo.

Speaking on the occasion, Dr. Malathi Priya, said that the exhibition is a good study centre for students to know about Humpback Mahseer fish. "They have organised a temporary exhibition for 6 months. I suggest RMNH to take up projects involving Bandipur Tiger Reserve and Ranganathittu Bird Sanctuary and organise similar exhibitions about them in future. We will give all needed support in this connection," she added.

New Gallery "Natures Network"- The new gallery is the continuation of RMNH gallery on 'Life through the ages,' where we break off with the evolution of man into modern human being. Nature's Network gallery takes from that end through the tribal people who actually forms that intermediary stage and thereafter into the inter-relationships between man and environment and the intricacies of the ecosystem.

The gallery was ready for inauguration years back, but due to COVID pandemic, the facility could not be opened to the public.

On the Mahseer Trail - The temporary exhibition is a collaborative venture with a research NGO — Wildlife Association of South India (WASI), Bengaluru. WASI has been engaged in the service of conservation from 1972. WASI is a registered society dedicated to research and action and has been in the forefront of conserving the Mahseer as an apex species in the Cauvery River.

Their research had extended into some of the collections of Mahseer relics kept in RMNH, Mysuru. The bilateral interactions became the backbone in the development of the current exhibition. It will disseminate the gathered knowledge on the keystone species and also of the research. This exhibition will sensitise the public to its conservation and thereby result in the protection of the rich ecosystems along the revered river, Cauvery.

It is also believed that this rare fish specie which was in good numbers earlier, is on the verge of extinction now.

The exhibition also displays the skull of a large Mahseer fish which is stated to about 150-year-old, which was reportedly found in Shivanasamudra.

In addition, 107 teeth of this fish specie is also displayed. The Humpback Mahseer weighs about 54 kgs.

RMNH, is an organisation which comes under the Ministry of Environment, Forest and Climate Change, Government of India. It is assigned the job of showcasing the rich biodiversity of the county and impart non-formal environmental education. RMNH was set up at Mysuru in 1995.

Director of Delhi RMNH Naaz Rizwi, WASI President G. Susheel, Scientist C & H.O Dr. Arjun Prasad Tiwari and others were present.

The expo is open to public from 10 am to 6 pm on all days except on Mondays and Government holidays. Entry is free.

Actor Shivarajkumar inaugurates Jayciana-2022

Actor Dr. Shivarajkumar, along with former MLC Sandesh Nagaraj, JSS Mahavidyapeetha Executive Secretary Dr. C.G. Betsurmath and others lighting the lamp to inaugurate Jayciana-2022 at JSS STU premises in city last evening as others look on. Picture right shows Shivarajkumar dancing to the song 'Tuvvi Tuvvi Tuvvi' on the occasion.

Mysuru, May 21 (GA&SSM)- 'Hattrick Hero' Dr. Shivarajkumar inaugurated the three-day Jayciana-2022, the annual cultural fest of JSS Science and Technology University (JSS STU), Mysuru, at the College premises yesterday evening.

The colourful and delightful event with the most enthusiastic crowd going crazy to the actors dance moves to the song *Tuvvi Tuvvi Tuvvi* from his movie *Anand*. The students were excited to the dynamic, energetic and entrancing performance of the actor.

Speaking before the inauguration, Shivarajkumar expressed his happiness for being a part of the event. "It reminds me of my college days. These kinds of colourful events with various other programmes adds to student enthusiasm." Stating that he has been visiting Mysuru often for the past six months, Shivarajkumar said that he agreed to attend the event as he visits Mysuru more often and disclosed that he will be acting in a movie named 'Ghost.' Later in the evening, music composer and director Arjun Janya and troupe presented a musical concert and entertained the crowd.

Today at 6 pm, there will be an interaction with actor-director Rishab Shetty and team which will be followed by music concert by Bollywood singer, actor and composer Arjun Kanungo.

JSS Mahavidyapeetha Executive Secretary Dr. C.G. Betsurmath, former MLC Sandesh Nagaraj, Producer Sandesh, Corporator Sathvik, JSS STU Principal Prof. S.B. Kivade and others were present.

'Damaged city roads to be repaired after a month'

Mysuru, May 21 (SBD&DM)- With the Monsoon set to arrive in less than a month, Mayor (in-Charge) Sunanda Palanetra said that the Mysuru City Corporation (MCC) is bracing to cope with excessive rains and the consequent damage that could arise during the Monsoon season.

She was addressing a press meet after a meeting with officials at her office in the MCC premises here on Friday.

She said that the officials have been instructed to identify low-lying areas and other places that are prone to inundation and also to take up clearing of clogged storm water and Underground Drains (UGD) on a war-footing.

Noting that the maximum complaints regarding storm water and UGD clogging have come from N.R. Mohalla and Agrahara areas, she said that such complaints have to be addressed immediately by clearing blocked UGD pipelines or replacing them wherever necessary.

Referring to road repair works, the Mayor (in-Charge) said that road repair works will be taken up only after a month as the Model Code of Conduct for the Legislative Council polls from South Graduates constituency is in vogue.

She stated that the Government has released Rs. 50 crore for relaying and repair of major arterial roads of the city, while the roads in interior areas of the Wards will be taken by the respective area Corporators, for which separate funds have been earmarked. However, potholes are being filled up. But incessant rains are putting paid to all the work and as such, the MCC is forced to wait for the rains to subside, she added.

Continuing, she said that the MCC staff are engaged in identifying and pruning such roadside trees which are prone to fall during rains and cause damage to property and life.

Announcing that the MCC is also equipping itself with new machinery, including 12 compactors, 5 heavy earth-moving equipment and 65 tractors (one in each of the 65 Wards), Sunanda said that all these newly bought machineries will be deployed for works by May 23 without any formal launch.

Referring to the Vani Vilas Market (V.V. Market) issue, she attributed the recent collapse of the parapet wall of the Market to water seepage since decades, coupled with lack of maintenance. However, the damaged portion of the Market is being repaired, she added.

Mayor (in-Charge) Sunanda Palanetra addressing a press meet at her office in the MCC premises yesterday as Corporators M.V. Ramprasad and M.U. Subbaiah look on.

She further said that 'Abhaya', the rapid response team of the MCC and the Engineers have been asked to be ever-ready to attend any emergencies or exigencies and also to ensure resolution of complaints 24x7.

With regard to heritage buildings of the city, some of which are on the brink of collapse due to poor maintenance, the Mayor (in-Charge) said that the MCC has sent a list of such structures that come under its jurisdiction, to the District Heritage Committee. But the MCC by itself cannot intervene as it requires the clearance of the Heritage Committee, she maintained, adding that the MCC also does not have budgetary support to take up major restoration works of heritage structures.

Corporators M.V. Ramprasad and M.U. Subbaiah and other officials were present.

Congress Corporators stage demonstration

Soon after Mayor (in-Charge) Sunanda Palanetra concluded her press meet, a section of Corporators from the Congress staged a demonstration in front of the Mayor's office in protest against BJP MP Pratap Simha's recent statement and also against the poor condition of city roads.

Raising slogans against the MP for his reported remarks that public should lay siege to the houses of local Corporators if they failed to take up civic works, the Congress Corporators alleged that Simha's remarks lacked culture.

Charging the ruling BJP of failure in fixing potholes, the protesters said that the MP was issuing unwarranted and provocative statements on issues that are beyond his purview.

Asking the MP to talk about issues such as inflation, unemployment and soaring prices of essential commodities and fuel, they said that the MP, instead of making such inappropriate remarks, should convince the Government for releasing more funds to the Mysuru City Corporation (MCC).

Former Mayors Ayub Khan and Pushpalatha Jagannath, former Deputy Mayor C. Sridhar, Corporators Shaukath Pasha, Gopi, Usha, Pradeep Chandra, Shobha Sunil, Hajira Seema and Syed Hasrath and others took part in the protest.

Free workshop for SSLC-passed students

Mysuru, May 21 (SSM)- Negilayogi Samaja Seva Trust and Negilayogi Vidyavardhaka Sparda Kendra, Mysuru, has jointly organised a free workshop titled 'What next after SSLC?' for SSLC-passed students at Negilayogi Maruleshwara Seva Bhavan in K.G. Koppal here tomorrow (May 22) at 10.30 am.

K.R. Hospital Psychiatry Department Head Dr. B.N. Ravish will inaugurate. Trust Hon. President Prof. K.R. Rangaiah will preside over the event.

University of Mysore (UoM) Career Hub Advisor D. Ravi Kumar, Government Industrial Training Institute (ITI) Junior Training Officer (JTO) G.N. Prasanna, retired Government Polytechnic College Lecturer Parameshwar, Government Tool Room and Training Centre (GTTC) Principal S.N. Jagadish Kumar and Central Institute of Petrochemicals Engineering and Technology (CIPET) Manager-Technical S. Bharathi will deliver talks on the occasion.

Former Film Body President proposes establishment of 'Janata Theatres'

S.R. Govindu

Mysuru, May 21 (PM&DM)- Former Karnataka Film Chamber of Commerce (KFCC) President **S.R. Govindu** has stressed on the need for construction of 'Janata Theatres' in the State in order to facilitate even the poor to watch films at low priced tickets.

Addressing a press meet at a private hotel here yesterday, Govindu, who is also a film producer, said that with multiplexes mushrooming not only in the State but also in the entire country, single screen theatres built decades ago were shutting down. Maintaining that single screen theatres screened films at affordable ticket prices to the common man, he said that the Government was sent a proposal some time ago on the establishment of 'Janata Theatres' so that the common man can watch films at affordable rates. The Government has responded positively to the proposal, he added.

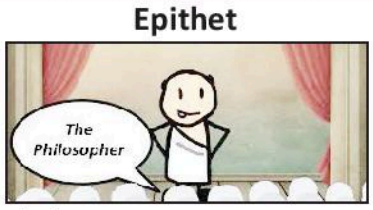
Interested candidates having 2 to 5 years of experience in Design of Rotary / heavy engg., equipment with hands on experience in 3D Modeling and drafting may forward their resume to: **hrms@ptb.trivenigroup.com within 7 days.**

WORD OF THE DAY

Epithet



Pronunciation: EP-uh-thet.
Meaning: An epithet is "a characterising word or phrase that accompanies, or occurs in place of, the name of a person or thing" or "a disparaging or abusive word or phrase."
Origin: Nowadays, epithet is usually used negatively, with the meaning "a disparaging word or phrase," but it wasn't always that way. Epithet comes from Greek epitithenai, meaning "to put on" or "to add." In its oldest sense, epithet is simply a descriptive word or phrase, especially one joined by fixed association to the name of someone or something, as in "Ivan the Great" or the Homeric phrase "wine-dark sea."
Example: "Seeing the [Combat Veterans motorcycle club] holding American Flags ... brings back a lot of patriotic emotions. WWII vets are part of what has been referred to as 'The Greatest Generation.' I wonder what the epithet will be for our current generation." — Stephen Rowland

THE ODD WORD

Ectype

Reproduction or copy.

PHRASE OF THE DAY

A for effort

Meaning: The phrase 'A for Effort' is used when recognising that someone tried hard to accomplish something although they might not have been successful.
Origin: You get an 'A for effort' when you do your best, even though your work might not be top-notch. We know that letter grades with "A" as the highest attainable grade were first used in the USA in the latter part of the 19th century. The origin of the idiom 'A for effort' isn't attributed to any one person or school; it has been in use since the 1940s.
Example: "The cake didn't turn out like she had planned, but I give her an A for effort!"

QUOTE BOX

Happiness lies in the joy of achievement and the thrill of creative effort.

—Franklin D. Roosevelt

RIDDLE THIS

Solve the rebus:

NEIGHBOURHOOD

Answer: Neighbourhood watch.

CROSS WORD

ACROSS:

1 Reservoir barrier

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.

Wimbledon stripped of Ranking Points

London, May 21- Wimbledon, widely regarded as world's most prestigious tennis tourney, was stripped of ranking points on Friday by the sport's main tours in a move which threatens to reduce the Grand Slam to the status of a high-profile exhibition event. The decision by ATP & WTA was in response to Wimbledon banning Russian and Belarusian players following the invasion of Ukraine. "It is with great regret and reluctance that we see no option but to remove ATP Ranking points from Wimbledon for 2022," said an ATP statement.

"Our rules and agreements exist in order to protect the rights of players as a whole. Unilateral decisions of this nature, if unaddressed, set a damaging precedent for the rest of the Tour."
